2018 MULTI CULTURAL FESTIVAL CANBERRA

SERBIAN LANGUAGE AND CULTURE STALL

Call for Sponsors and Donations

Dear friends, we take this opportunity to invite you to help us, in line with your resources, with the costs of holding a Serbian Culture stand at the 2018 Multicultural Festival in Canberra.

By becoming a sponsor or benefactor, you will be helping to create a suitably impressive stall, one that presents Serbia and Serbian culture in a befitting way, in Australia's capital city, to crowds of up to 300,000 people. Our stall will be open on both Saturday and Sunday, 17th and 18th February, the two major days of the Festival.

So far, the following organisations and individuals have contributed to the preparation of our Serbian Culture stand, by donating their time and through material support:

- The Embassy of the Republic of Serbia
- National Tourism Organisation of Serbia
- Dositej Serbian Language School
- PiN ICT Pty Ltd

If you too want to help us succeed in this project, in any way you can, we urge you to contact us immediately on this telephone number 02 6260 8742 or via email ivo.andric.society@gmail.com

Payments (donations) can be deposited into our account:

Account Name: Ivo Andric Society
BSB: 032-729 (Westpac)
Account Number: 344613

When depositing your donation, please indicate if you wish to be a Sponsor, or a benefactor (donation only) or if your donation is to remain anonymous.

All Sponsors of our stand will have their brands promoted to visitors in line with Festival regulations. Benefactors' donations will also be appropriately acknowledged, while anonymous donations are also most welcome.

The Steering Committee.
