Ekspres posuđe je linija za kuvanje pod pritiskom. Izrađena je od visokokvalitetnog nerđajućeg čelika 18/10 i specijalno namenjena za brzo kuvanje ukusnih jela. Ekspres lonac poseduje četiri sistema zaštite, što ga, u domenu bezbednosti, svrstava u sam vrh posuda pod visokim pritiskom na evropskom i svetskom tržištu.

Pressure cooker is collection of pressure pans and pots, made of high quality 18/10 stainless steel meant for quick cooking of meals. Pressure cooker has four safety systems that classifies it in the top quality pressure cookware in European and world market in domain of security.

SIRIUS

Unutrašnji sloj izrađen je od austenitnog inox lima, spolja je magnetični feritni inox lim, dok je u sredini aluminijum debljine 2mm kao odličan provodnik toplote.

The internal layer is made of austenitic stainless steel sheets, the outside layer is made of magnetic ferrite stainless steel sheets and the middle layer is made of 2mm thick aluminum sheets as a great heat distributor.
