

# Eagle Eye Media

## MEDIA SERVICES

- **EXPERT TALENT BOOKINGS**

Connect your audience with expert talent for commentary, analysis and panel debates on matters of defense, security and international current affairs, for your news and current affairs broadcasting.

- **CONTENT PRODUCTION**

Content design and production of program segments and video bulletins of 5 to 8 minutes' duration, for TV and online programming.

- **THEMED PROGRAMS**

Design and production of documentary and discussion programs with interviews, panel debates, motion graphics and reports from the field, either to your prescribed format or our own original production.

## SPECIALIZED SOLUTIONS FOR YOUR MEDIA, RADIO, TV OR ONLINE CHANNEL

We provide solutions for your programming content and production, logistics solutions for your visiting teams in Belgrade, plus specialist talent, allowing you to focus on commercial and creative work for your program, network or media organization.

Our subject matter expert talent has a dynamic on-screen presence and will help you bring the right mix of perspectives and attitudes (and audience ratings) to your program in discussions about defense, security, geopolitical and diaspora affairs.

For your visiting teams in Belgrade, eliminate the need to share studios with competing networks. Our logistics solutions will provide you with secure, professionally equipped facilities to allow your team to get on with the job efficiently, away from the prying eyes of competitors .
