MEDIA RELEASE – SAOPŠTENJE ZA MEDIJE

KING PETER'S SOCKS PROJECT - PROJEKAT ČARAPE KRALJA PETRA

04 April 2018

Ivo Andrić Society and Zillion Film Production Company have launched a joint project in Australia to popularise the production of King Petar's Socks project.

Ivo Andrić Society has established a special fund to collect funds from all those seeking to help with the filmmaking process. The film will capture the epic of the Serbian army in the First World War that displayed unprecedented sacrifice in the modern history of Europe.

According to Mr. Lazar Ristovski, doyen of Serbian acting, who stands behind the realization of this production with his production company Zillion Film - "The suffering that the Serbian army and the people survived during the Great War can be compared with the true Ancient tragedy and we took the responsibility to do the work of art which, hopefully, will bring to mind heroism and the great sacrifice of the Serbian people".

We ask all interested people who want to support this project, to contact us on ivoandricsocietyaustralia@gmail.com, via our Facebook / Instagram site @ivoandricsociety, or on Twitter @ivosociety.

Please find more information about the production and the project in attachment.
