## Accommodation and Post Conference Activities

Set within the preserved 19th-century Old Mill near the banks of the Sava River, the Radisson Collection Hotel, Old Mill Belgrade marries a contemporary aesthetic with elements of the building's historic past. Take pleasure in the vibrant mix of old and new that prevails in Serbia's flourishing capital city that has radically reinvented itself in the past few years. If you're searching for a luxury hotel stay in the center of Old Belgrade this is the right place for you.

## Kovilovo Sports Centre & Shooting Range

Shooting sport is the main activity of BG Sport Centre Kovilovo. This complex, ranked as one of the best in the whole world, consists of 6 shooting ranges for Skeet, Trap and Double Trap events and of one sporting compact shooting range specially designed for huntsmen. Up to date boxes for dogs are also available, thus presenting additional advantage for the hunting sport.

All shooting ranges are equipped with Mattarelii machines and El fipa electronic devices, appliances and displays that record results. All shooting ranges are strictly oriented to the north. The most popular ammunition brands, like Baschieri & Pellagri, RC and Fiocchi, are to be obtained and bought at the ammunition store located at the shooting range. Nasta Orange Targets are used for the competition and Nasta Flash Targets for the finals. This complex also consists of stands for the spectators and competitors and covered shelters for the competitors' arms and gear. This shooting range has become one of official training centers for this sport, thanks to the technical equipment, possibilities to prepare for the competition and comfort offered to the shooters.
