ESG's 15th Anniversary

The first 15 years

ESG is celebrating this year its first 15 years since foundation of the first of its entities in 2001. Since then ESG had a steady growth and achieved maturity as business specialised in bridging business communities of Australia and south east Europe.

Please refer to the following links to access documents from our archive which will provide information about some of our milestone initiatives:

[Report: Increasing Australian Business Activities with Serbia – Eagle Space - 2007](#)

On top of this ESG also implemented some of the key community building activities as part of its approach to promote corporate responsibility.

ESG has a strong focus on building business infrastructure critical to enable bridging business communities of Australia and south east Europe. One of the initiatives in this space is its corporate travel arm Eagle Space Travel. More information you can access in our [Eagle Space Travel brochure](#) available online.
